# IMPORTANT ICONS TO KNOW

---

- Get- Free to download App

- \$x.xx- Price of App

- Open- This app is already downloaded.

- Cloud- This has been purchased previously (Free or Paid) so you will not be asked to pay again.

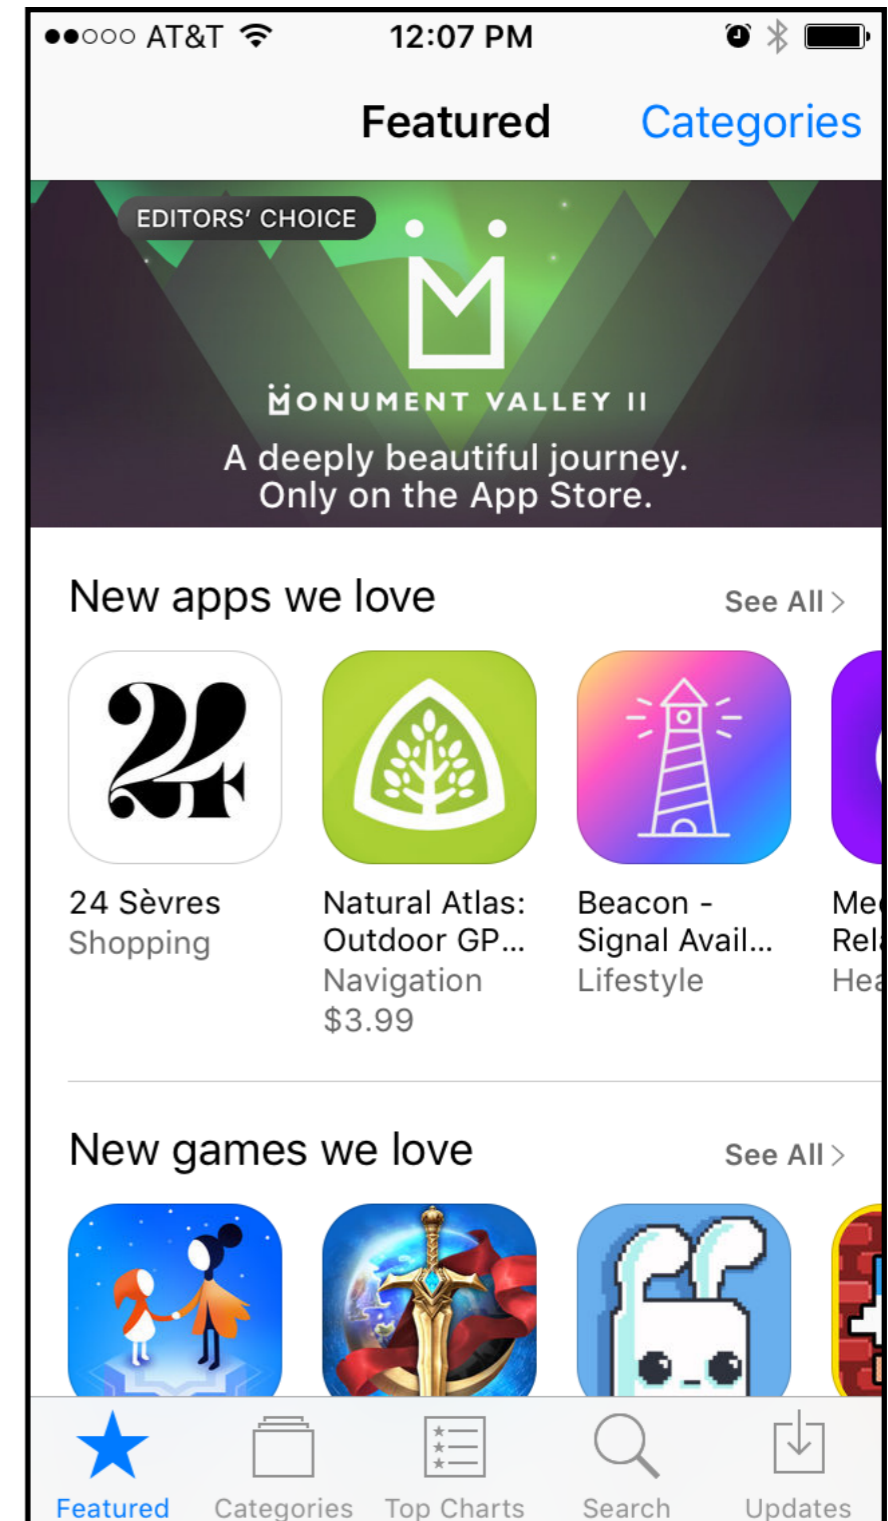

- Update- This app is on your device, but a newer (supposedly better) version is ready to replace it.

# FEATURED

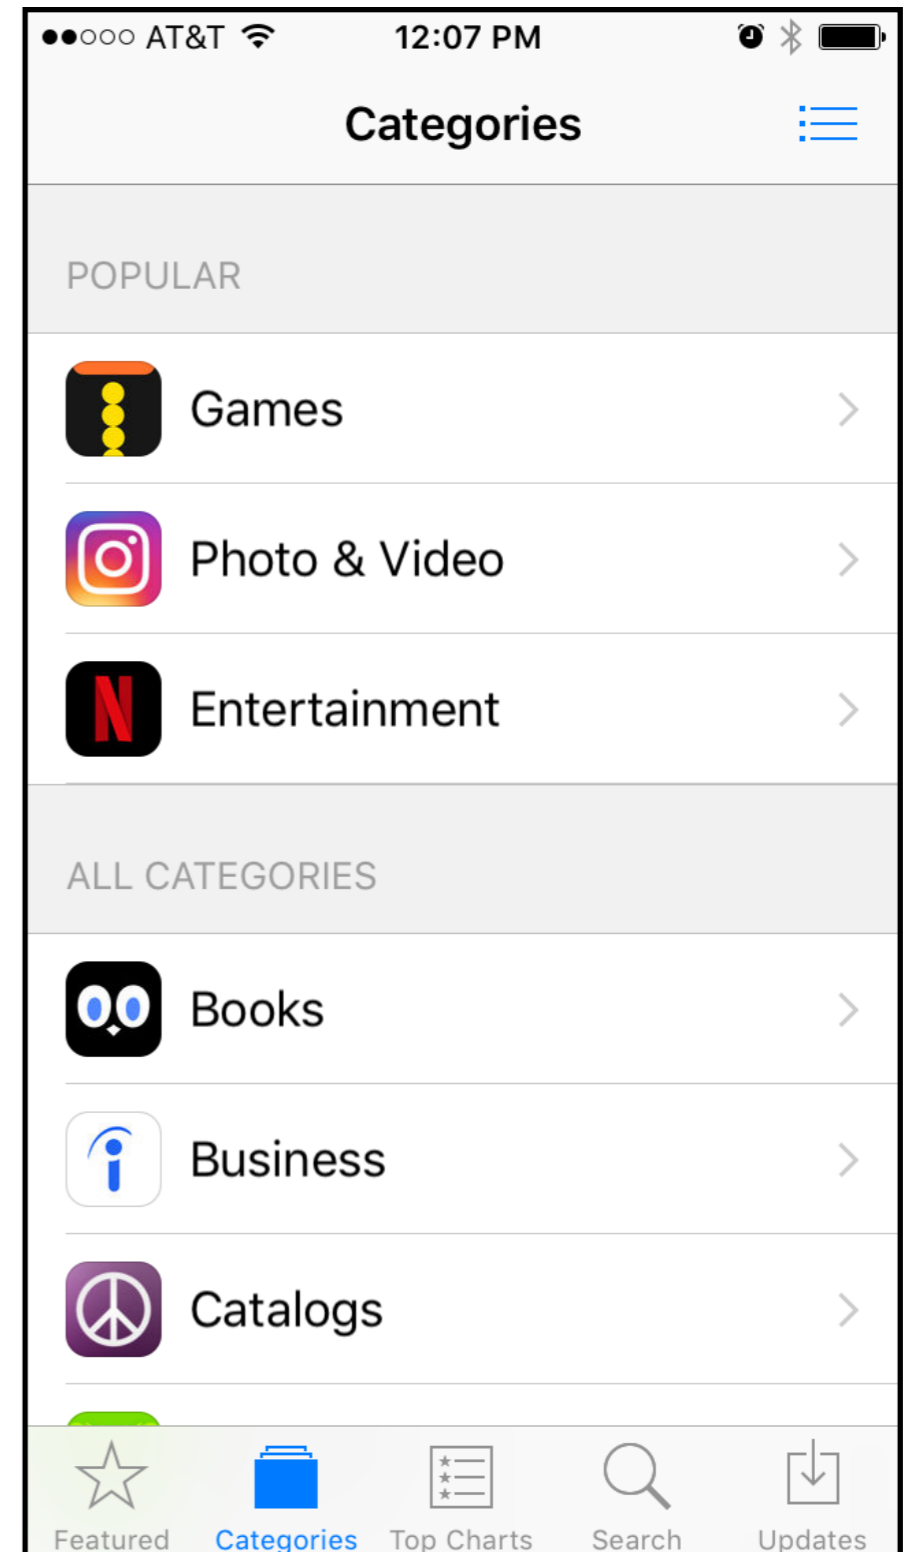

- ▶ These are Apps that Apple thinks are pretty cool. Often these apps are new.
- ▶ As you scroll you will begin to see different categories.
- ▶ This is fun to browse if you are looking for a new app.

# CATEGORIES

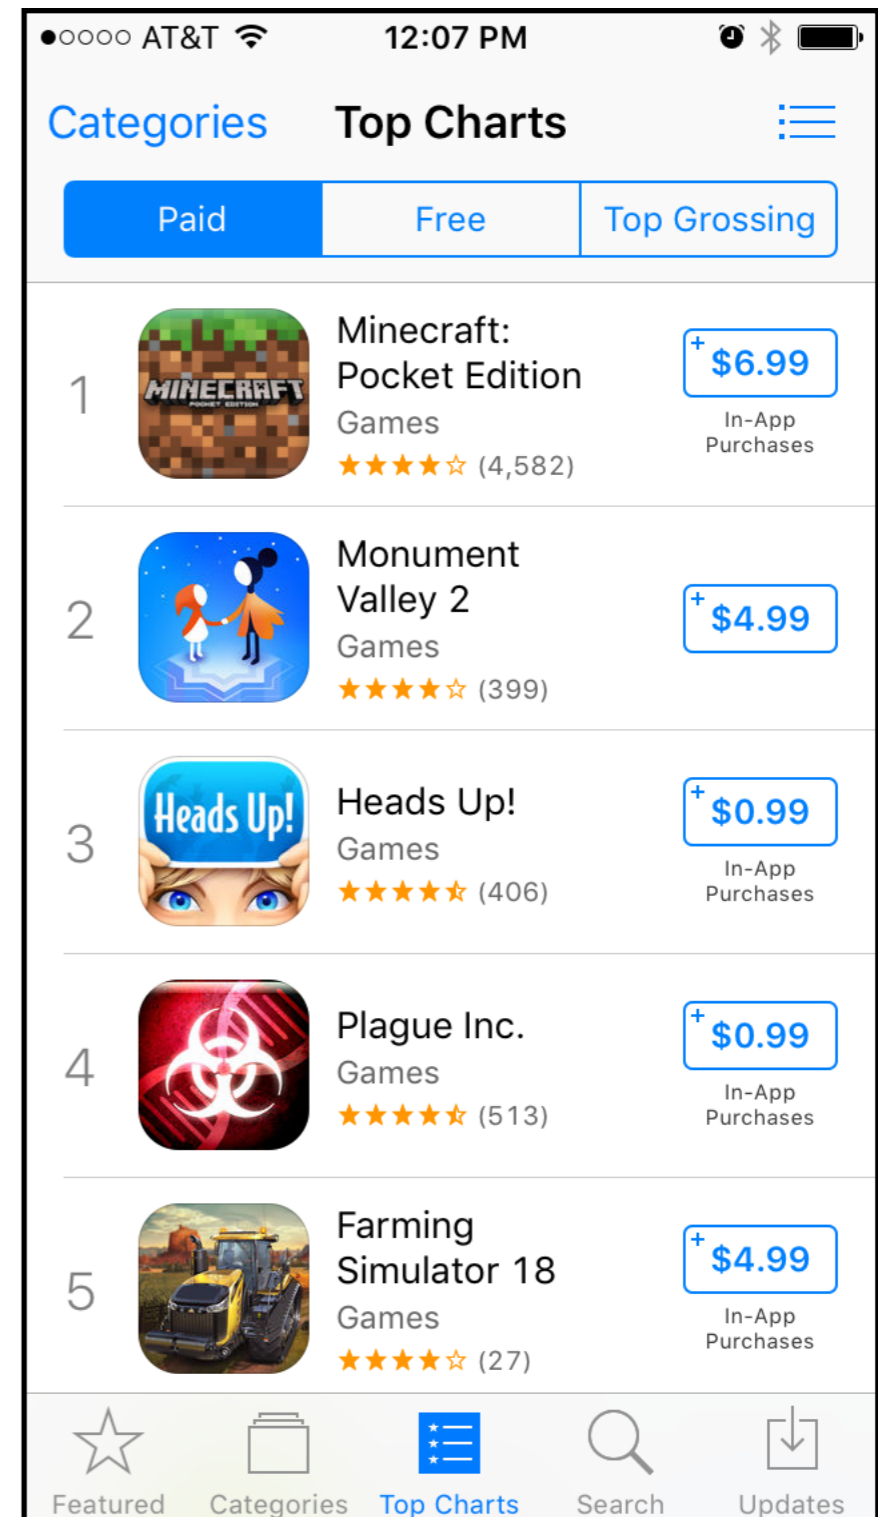

- ▶ If you are looking for a app that does something specific, but don't know what apps are available, categories work really well.

# TOP CHARTS

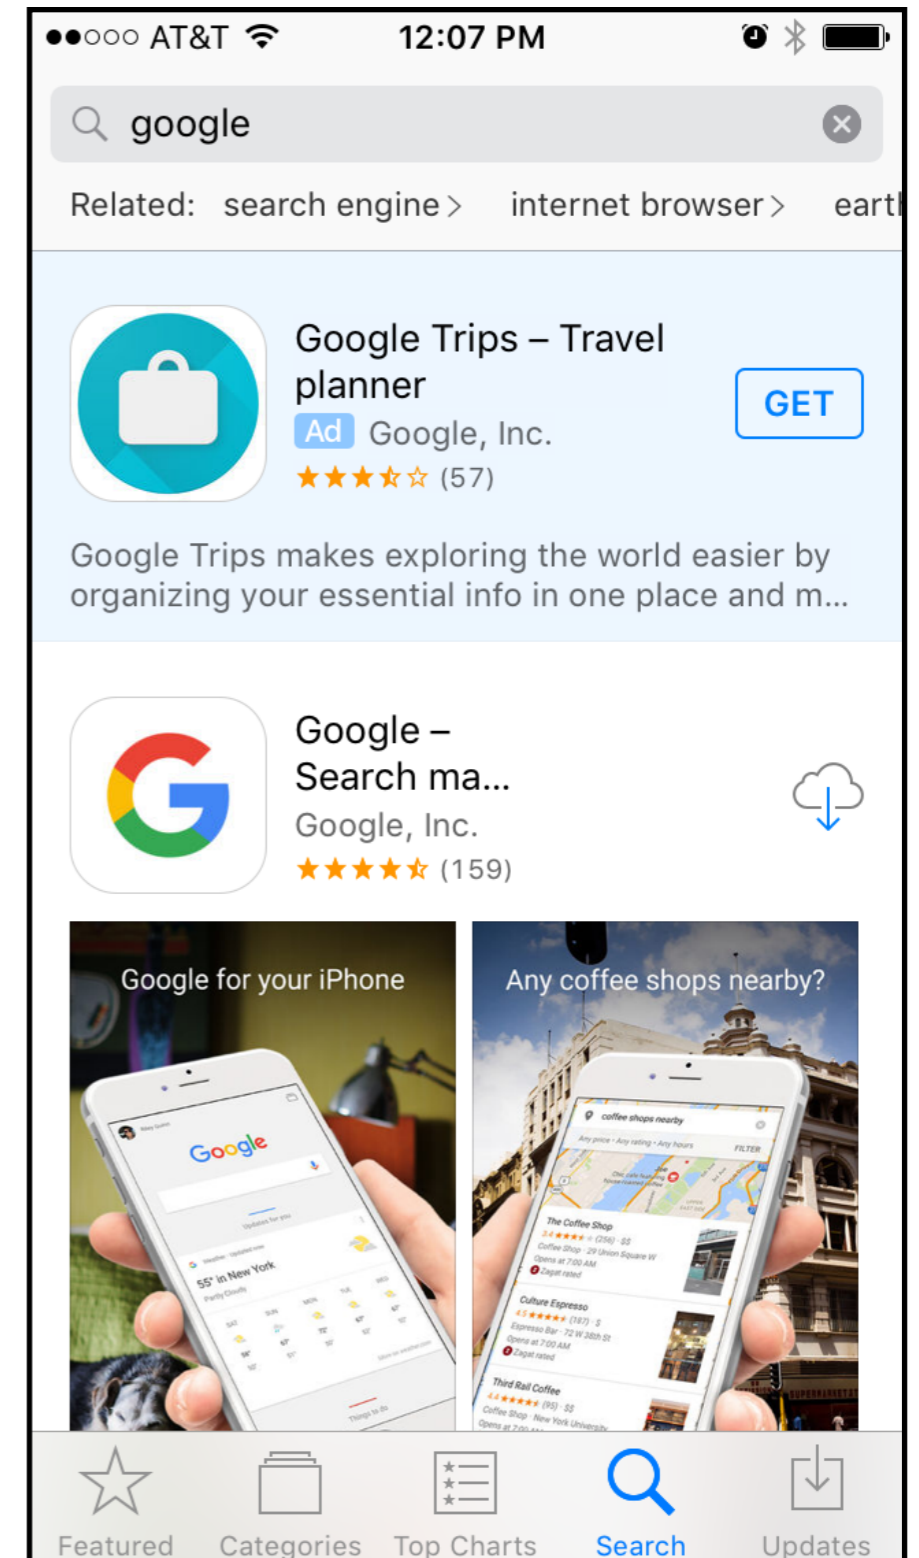

- ▶ Top Charts includes apps that customers think are pretty cool.
- ▶ If you notice the stars, these are ratings that the customers gave the app. The more stars, the better.
- ▶ Next to the stars is a number. The number is how many reviews the stars rating is based on.

# SEARCH

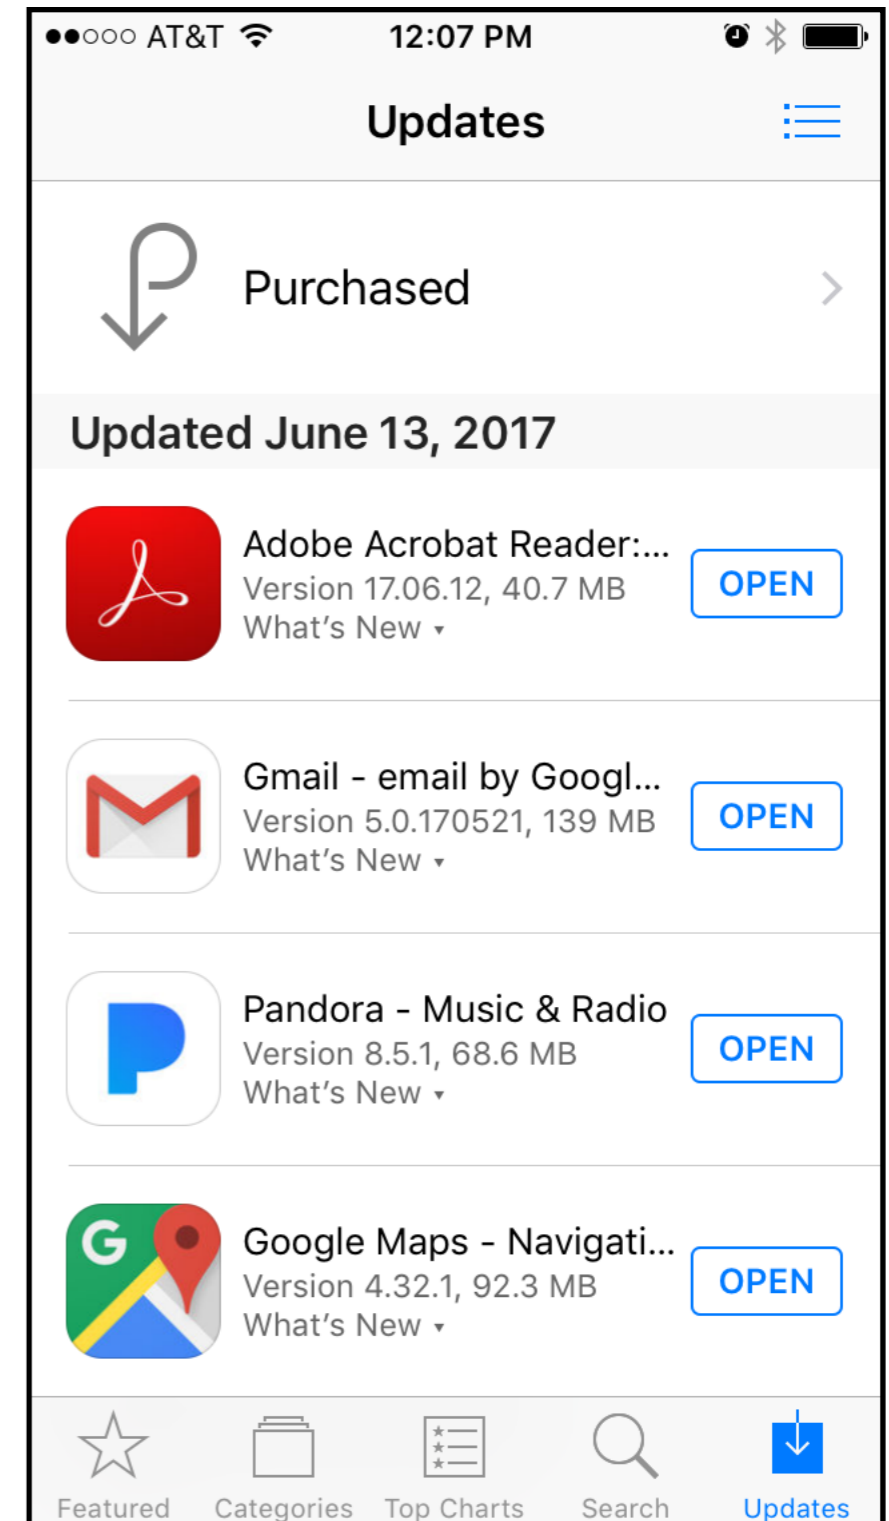

- ▶ If you are looking for a specific app, you can search for it.
- ▶ On the iPad the search bar is located on the top right corner on all of these menu options.

# UPDATES

- ▶ Updates will show what needs to be updated (there are no apps to be updated on this screenshot. If there were, instead of the blue button saying “OPEN” it would say “UPDATE.”)
- ▶ If you tap “Purchased” you will see a list of apps that you have purchased in the past.

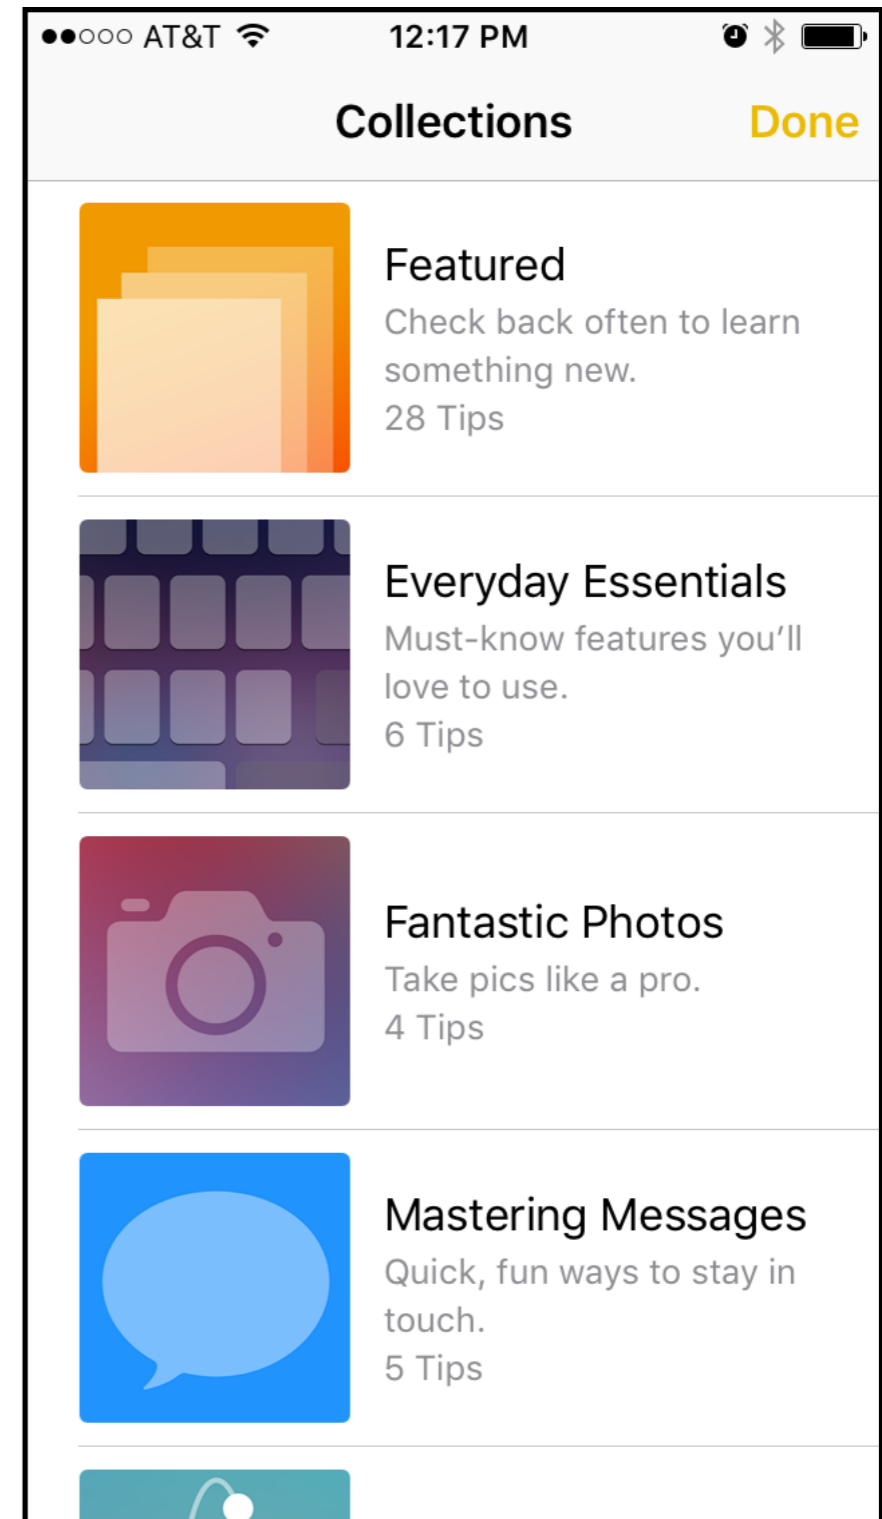

**TIPS**

# TIPS OVERVIEW

- ▶ Although this is not as detailed as the iPhone/iPad User Guide that you can download in iBooks, Tips has some quick everyday items that you can learn from.

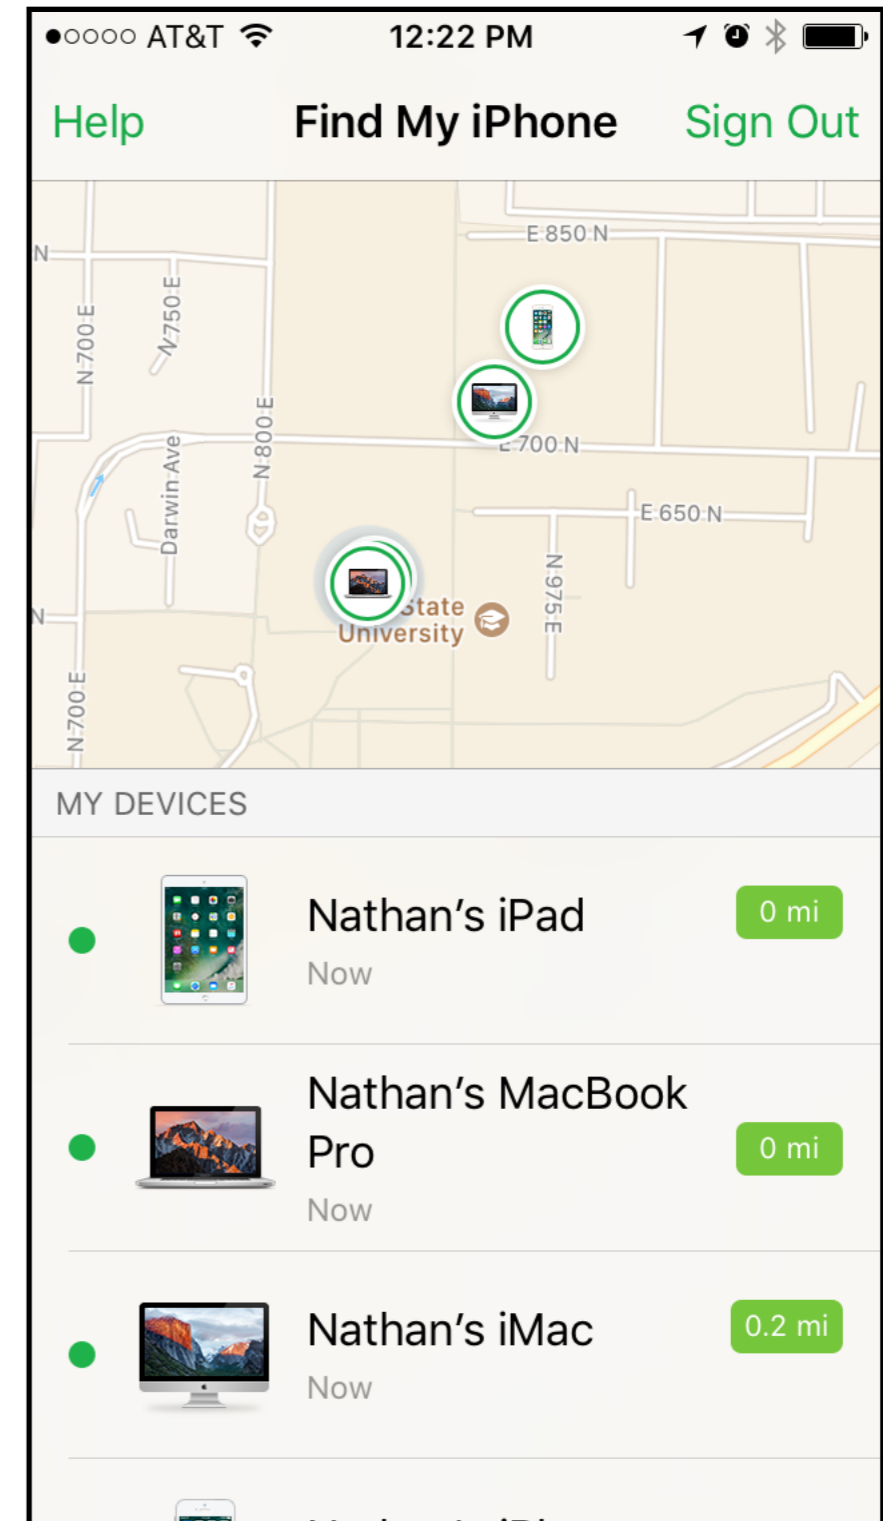

# FIND iPhone

*<https://www.imore.com/find-my-iphone>*

# FOUND DEVICES

- ▶ You will need to log in with your Apple ID and password to view your devices.
- ▶ You can do this from any iPhone, iPad, or internet browser ([icloud.com](https://icloud.com))
- ▶ For additional help tap “Help” on the top right corner.

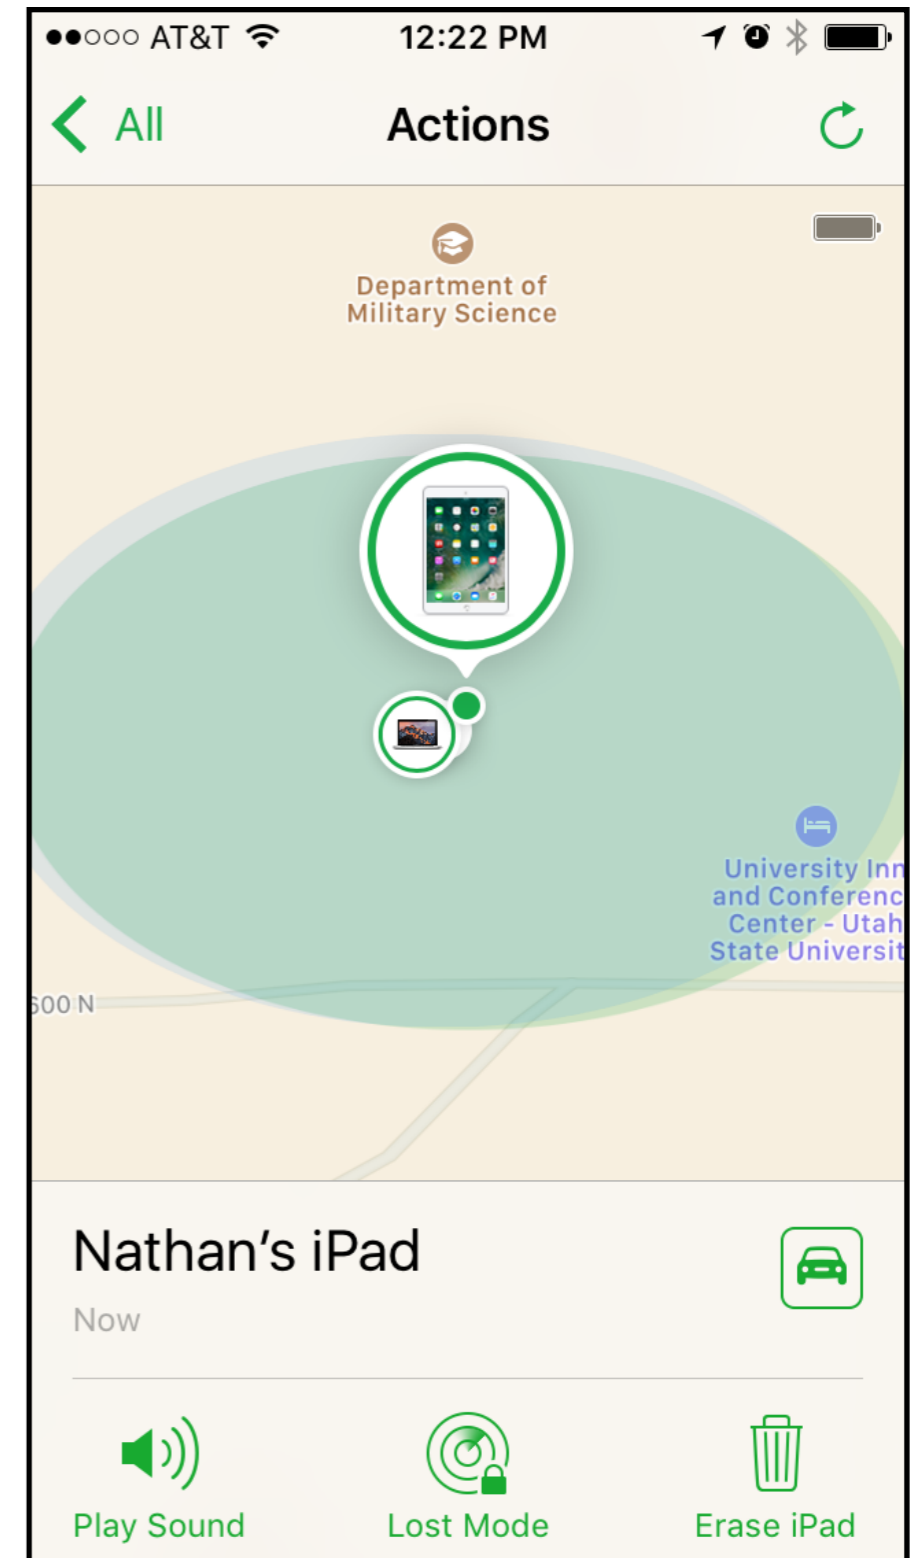

# LOCATION PAGE

▶ Select which device you want to find, and you will get these three options down on the bottom. You can:

- i. Play a loud sound
- ii. Put the device in Lost Mode
- iii. Erase the device

The image shows a screenshot of the iCloud.com website interface. At the top left, the text "iCloud" is displayed. In the top right corner, there is a user profile for "Nathan" with a dropdown arrow and a help icon. The main content area features a grid of twelve application icons arranged in two rows of six. The first row includes Mail (blue envelope), Contacts (grey silhouette with colored tabs), Calendar (white with "Tuesday 13"), Photos (colorful flower), iCloud Drive (blue cloud), and Notes (yellow and white notepad). The second row includes Pages (orange notepad), Numbers (green bar chart), Keynote (blue presentation screen), Find Friends (orange two figures), Find iPhone (green target), and Settings (grey gear). The browser's address bar shows "Apple Inc." and the top navigation bar lists various services like Gmail, Drive, YouTube, Pandora, TOH, LDS.org, MACU, and Design.
