APP STORE

IMPORTANT ICONS TO KNOW

GET

- Get- Free to download App

\$2.99

- \$x.xx- Price of App

OPEN

- Open- This app is already downloaded.

- Cloud- This has been purchased previously (Free or Paid) so you will not be asked to pay again.

UPDATE

- Update- This app is on your device, but a newer (supposedly better) version is ready to replace it.

TODAY

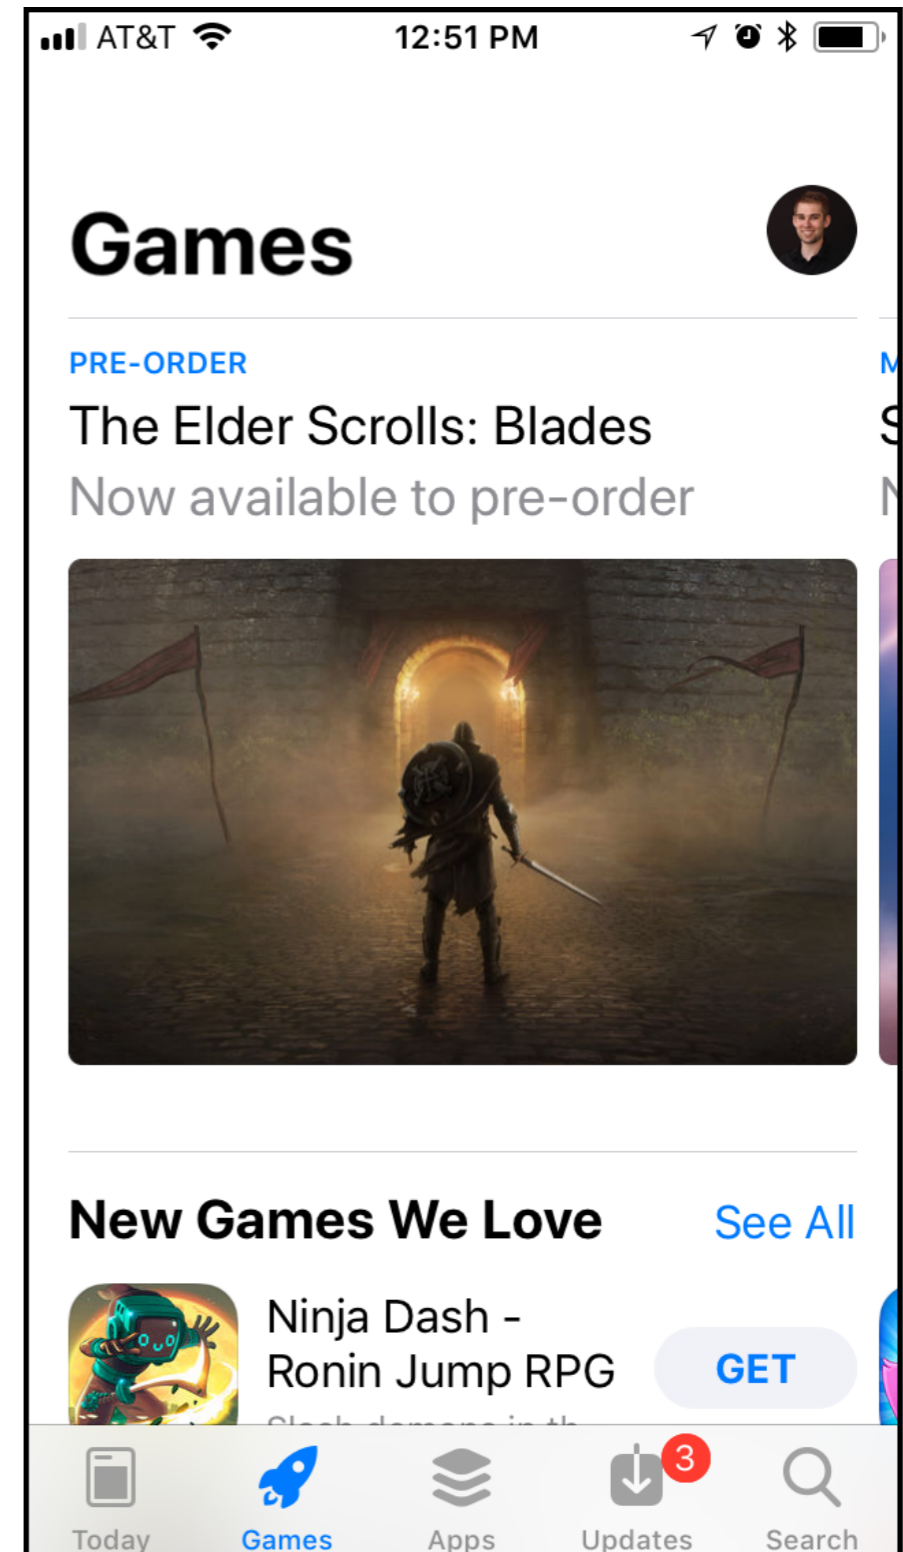

- ▶ These are apps that are relatively new, and a lot of iPhone users are downloading these.
- ▶ Apple features these apps because they look like something people want to see.

GAMES

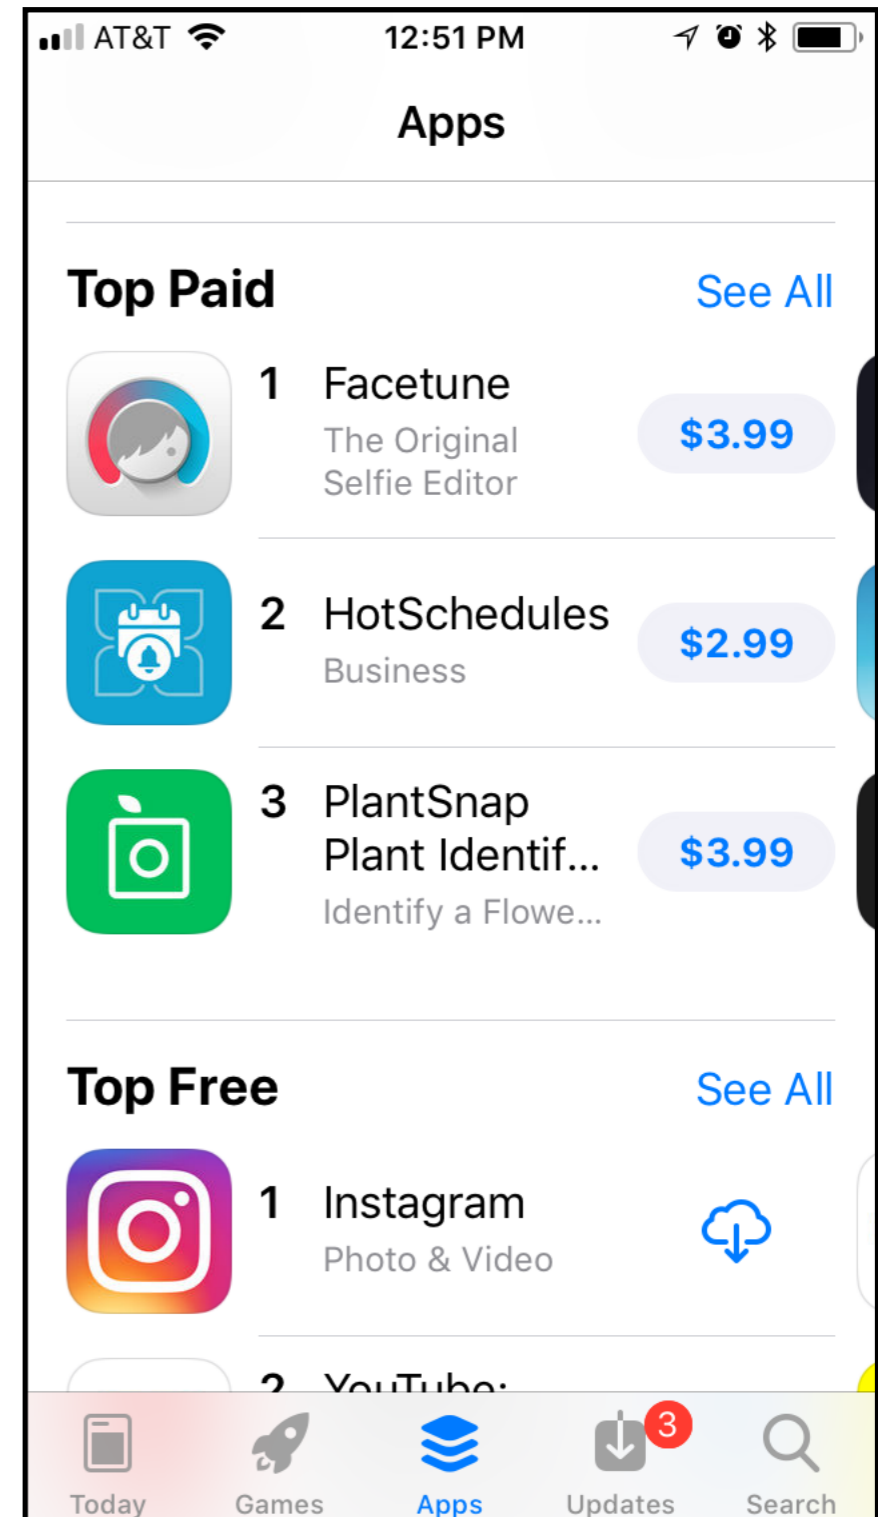

- ▶ Games are some of the biggest categories in Apps, so they get their own section.
- ▶ A lot of these are free, but packed with Ads
- ▶ Who plays words with friends?

APPS

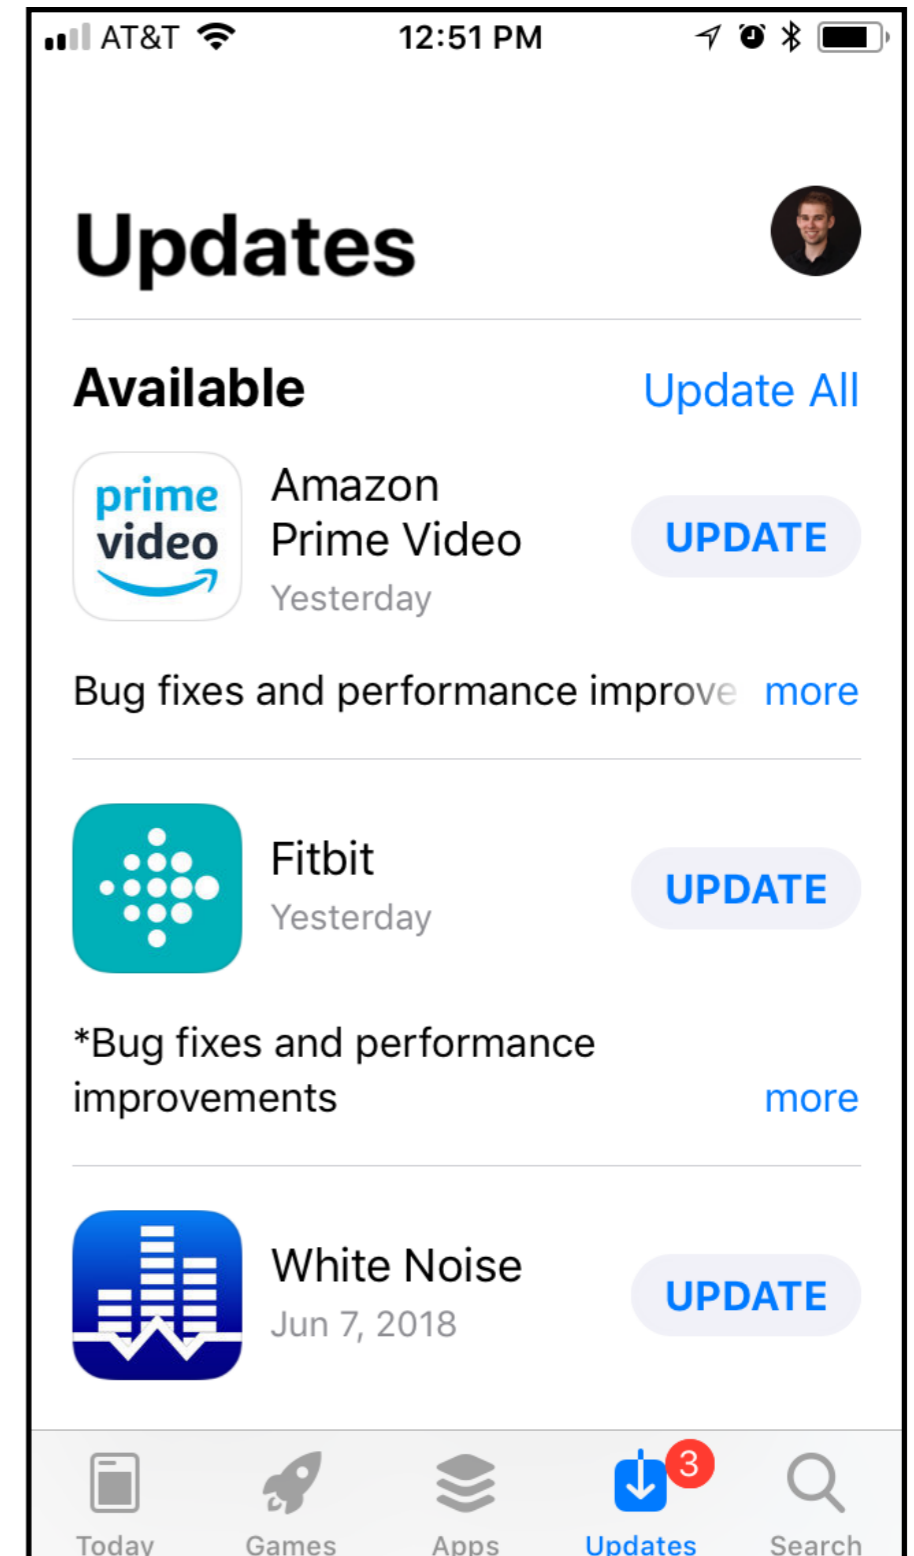

- ▶ This is a good place to come and browse different apps.
- ▶ These apps are sorted into different categories for quick browsing.

UPDATES

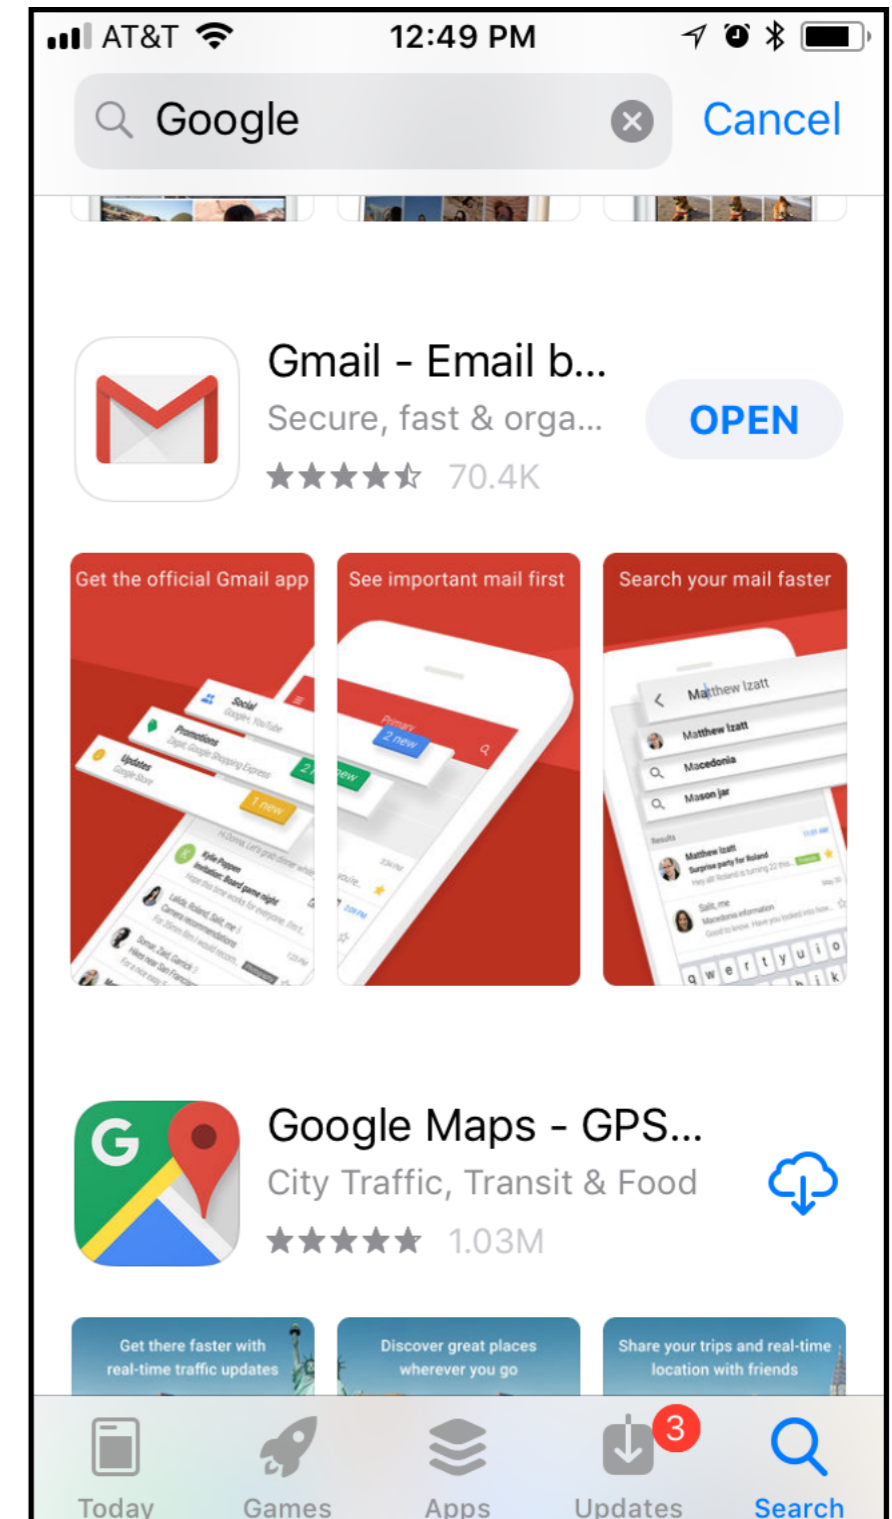

- ▶ Apps made by non-Apple developers continually make updates to your apps.
- ▶ Some improvements include better security, faster speed, and less battery usage.
- ▶ I suggest updating apps frequently.

SEARCH

- ▶ Search is the easiest way to find an app that you want. A lot of times you already know what you want.
- ▶ Searching for a category will help you find what you are looking for as well.

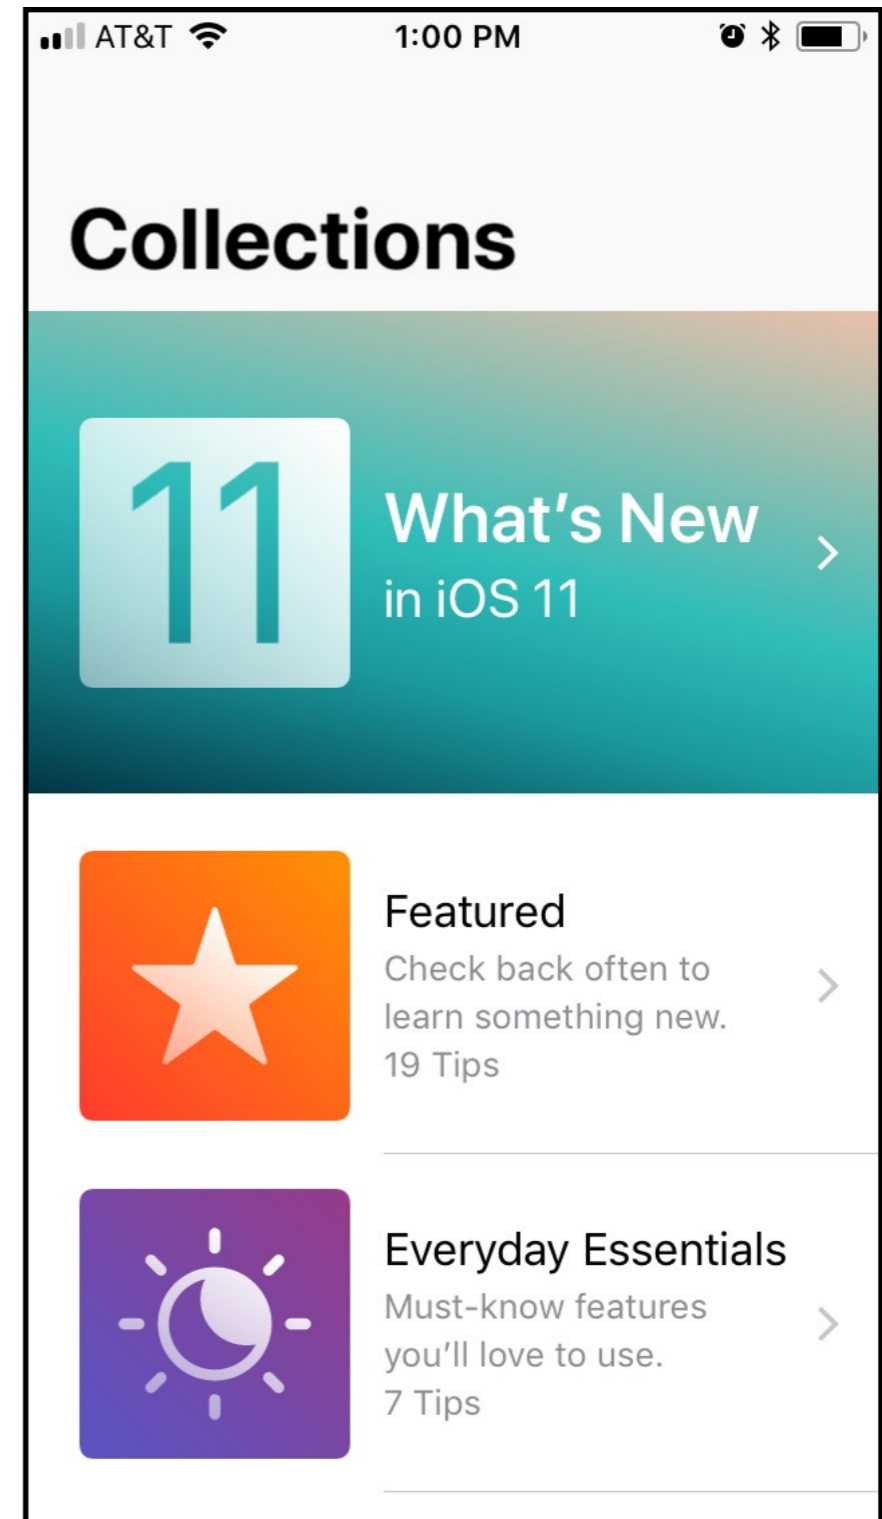

TIPS

TIPS OVERVIEW

- ▶ Although this is not as detailed as the iPhone/iPad User Guide that you can download in iBooks, Tips has some quick everyday items that you can learn from.

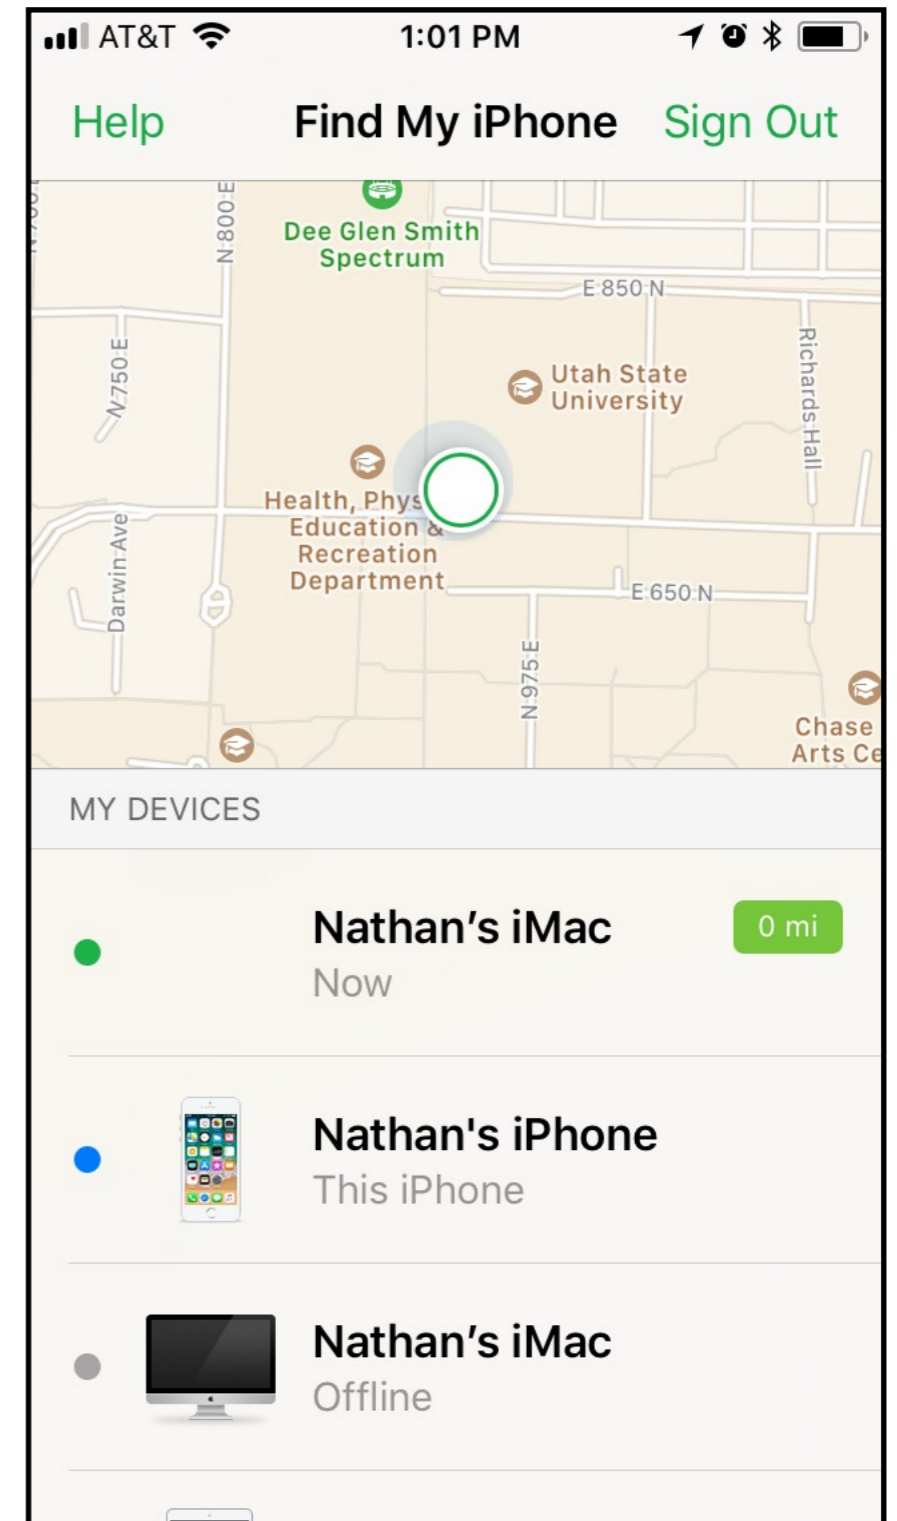

FIND iPhone

“

I'm as proud of many of the things we haven't done as the things we have done.

Innovation is saying no to a thousand things.
